Specification

India / common name	Evening primrose, Evening primrose oil (EPO)
Scientific name	Oenothera biennis L.
Family	Onagraceae
Part used	Seed
Key compounds	Linoleic acid, gamma-linolenic acid (GLA)
Form available	Seed, cold-pressed oil, oil powder
Standardisation	Oil: gamma-linolenic acid (GLA) about 8-10% (GC, typical)
MOQ	5 kg trial order available, as per buyer request
Origin	Limited in India; sourced to order
Packaging	5 kg trial pack. Samples available. Bulk in lined drums, bags or cartons, pack size as agreed
Shipping	FOB or CIF, worldwide by air or sea. Terms and timing confirmed in the quotation

Overview

Evening primrose (*Oenothera biennis*) is a wildflower grown for its seed, which yields an oil rich in gamma-linolenic acid (GLA). It is not mainly an Indian crop, so Faar Earth Collective Exports sources seed, cold-pressed oil and oil powder to order through qualified manufacturers. Typical oil carries GLA of about 8% to 10% by GC.

Available forms and grades

Seed	Cleaned evening primrose seed for pressing and further processing.
Cold-pressed oil	Virgin oil from cold pressing, with GLA of about 8% to 10%, for softgels, skin care and wellness products.
Oil powder	A free-flowing powder form of the oil for tablets, sachets, dry mixes and powder blends.

Applications

Supplement and softgel makers, cosmetic and skin-care brands, food supplement formulators.

Softgel supplements	Capsules and softgels in women's wellness and skin-health products.
Women's wellness	Combined with shatavari and other botanicals in daily-wellness blends.
Skin care from within	Oil and powder in beauty-from-within supplements.
Cosmetics and personal care	Oil in face oils, creams, serums and body-care products.
Hair and nail care	Oil in hair oils, scalp treatments and nail products.
Functional foods	Oil powder in sachets, bars and fortified products.
Pet and animal care	Skin-and-coat supplements, where permitted.
Private label and contract manufacturing	Bulk and custom-spec supply for brands, contract packers and formulators.

Buyer notes

Ask for the GC fatty acid profile, peroxide value and acid value on each lot. Oil oxidises easily, so agree packaging (nitrogen flushed, tocopherol added) and shelf life. For oil powder, confirm the carrier.

Percentages shown are typical commercial grades. The exact grade and test method are confirmed on the COA / TDS for each order.

Packaging and shipping

Typical export packing. The final pack size, terms and documents are agreed with you in the quotation.

Packaging

- **Samples** 5 kg trial order, sealed in a food-grade, moisture-barrier pouch, as per buyer request.
- **Bulk powders and extracts:** lined fibre or HDPE drums, or multi-layer paper bags, with a food-grade polyethylene liner.
- **Whole and cut material:** new food-grade PP or jute bags, or cartons, with an inner liner where the product needs it.
- **Oils:** sealed drums or smaller food-grade or cosmetic-grade containers, filled to your pack size. Nitrogen flushing and antioxidant can be agreed to protect the oil.
- Private label and retail packs available on request.

Shipping

- **Terms:** FOB or CIF to your port. Tell us your destination and preferred terms when you enquire.
- **Mode:** samples by air courier. Bulk lots by sea, in full or part container, or by air for urgent orders. Shipped worldwide.
- **Timing:** dispatch time, freight and transit time are confirmed in your quotation.

Documents, labels and storage

- **COA** with every lot. TDS and further test reports on request.
- **Export papers:** commercial invoice, packing list and certificate of origin, plus phytosanitary or fumigation certificates and other documents where your destination requires them.
- **Labels:** product name, grade, batch number, net weight and dates as agreed.
- **Storage:** keep in a cool, dry place away from direct sunlight. Shelf life and storage conditions are stated on the COA / TDS.

Frequently asked questions

What GLA level can I expect?
About 8% to 10%, shown on the GC report for each lot.

Do you supply oil powder?
Yes, with carrier and oil load per your specification.

What is the minimum order quantity?
A 5 kg trial order is available as per buyer request. Larger quantities as per buyer request, subject to the manufacturer's confirmation.

Which certificates do you provide?
We work with manufacturers who meet the certifications your country requires. Certificates (for example Organic, GMP, ISO, HACCP, Kosher, Halal) and test reports are supplied as per buyer request, with a COA for every lot.

How quickly will I get a quote?
Within 24 hours on working days once you send the product, grade and quantity.

How is Evening Primrose packed and shipped?
Samples and 5 kg trial orders are sealed in food-grade pouches and sent by air courier. Bulk lots go in lined fibre or HDPE drums, paper bags, PP or jute bags or cartons, in the pack size you agree with us, and ship FOB or CIF by sea or air. The COA travels with every lot, together with the export documents your destination requires.

Why source from Faar Earth Collective Exports

- ✓ Quote within 24 hours on working days once you send the grade and quantity.
- ✓ We work only with validated, qualified manufacturers. Certificates (Organic, GMP, ISO, HACCP, Kosher, Halal and others) are supplied as per buyer request, for your country.
- ✓ COA with every lot. Test reports for assay (HPLC), heavy metals, pesticide residues and microbiology are available on request.
- ✓ 5 kg trial order available as per buyer request. Larger quantities in drums, bags or cartons, FOB or CIF, shipped worldwide by air or sea.
- ✓ Private label, custom standardisation and your own spec. Can't find your herb? We will source it from a qualified Indian manufacturer.

How to order

1. Enquire	Send the product, grade, quantity and destination market by email or WhatsApp.
2. Quote and sample	We reply within 24 hours. Trial orders from 5 kg. Samples available.
3. Confirm specification	Grade, marker compound and test method are agreed and stated on the COA / TDS.
4. Ship with documents	COA and TDS with each lot, plus export documents as required. Packing and terms (FOB or CIF) as agreed.

Packing and container loading

Typical export packing and container loading for Evening Primrose, by supply form (S.No. 50 in the Faar Earth Collective packing guide). Choose the form you need. Loads are approximate, and the final pack size, terms and documents are agreed with you in the quotation.

Form A	Whole seeds, pods, buds and spices
Typical packing and net weight	PP or jute bag, 25 kg or 50 kg net (cardamom and clove: 25 kg or smaller)
Inner protection	Food-grade HDPE liner inside the bag
About 20 ft container (FCL)	About 10-14 t (cardamom pods about 6-9 t)
About 40 ft container (FCL)	About 20-24 t
Notes	Floor-loaded or palletised. Use a container liner or desiccant for sea freight.

Form D	Powders: spice, herb, root, fruit, flour, husk
Typical packing and net weight	Multi-wall paper bag (3 ply) or PP bag, 20 kg or 25 kg net
Inner protection	PE liner; moisture-barrier bag for fine or hygroscopic powders
About 20 ft container (FCL)	About 8-12 t
About 40 ft container (FCL)	About 16-20 t
Notes	Light powders such as psyllium husk and leaf powders load lower. Palletise and stretch-wrap.

Form H	Cold-pressed oils and castor oil
Typical packing and net weight	New steel or HDPE drum 190 kg to 200 kg; 20 kg to 25 kg HDPE cans; flexitank in a 20 ft container for bulk castor oil
Inner protection	Food-grade lining where required
About 20 ft container (FCL)	About 80 drums (about 15-16 t). Flexitank about 20-22 t
About 40 ft container (FCL)	Not usual
Notes	Oils oxidise, so agree nitrogen flush, shelf life and storage temperature.

Before you book

Weight per container depends on bulk density, pack size and whether the cargo is palletised. We quote a load only after the manufacturer confirms the pack size and the forwarder confirms the container. Wooden pallets must be ISPM-15 heat-treated and stamped, or use plastic pallets. Use a food-grade, clean, dry, odour-free container, with a liner and desiccant for sea freight of spices, seeds and powders.

To confirm pack size and freight, email connect@faarearth.com or WhatsApp +91 87008 79647, mentioning "Evening Primrose Oil, Seed and Oil Powder".

MOQ: A 5 kg trial order is available, and samples can be requested. Larger quantities as per buyer request, subject to the manufacturer's confirmation for each product.
Percentages and ranges shown are typical commercial grades. Confirm the exact grade, marker compound and test method on the manufacturer COA / TDS before ordering. This sheet is for information and is not a certificate of analysis.
