Specification

India / common name	Jatamansi, Indian spikenard, Spikenard, Balchar, Mansi
Scientific name	Nardostachys jatamansi (D.Don) DC.
Family	Caprifoliaceae (formerly Valerianaceae)
Part used	Rhizome (with roots)
Form available	Dried rhizome, powder, extract powder, essential oil (spikenard)
Standardisation	Per buyer spec (marker compound agreed with the manufacturer). Cultivated and permitted material only (CITES-listed)
MOQ	5 kg trial order available, as per buyer request
Origin	India (mainly)
Packaging	5 kg trial pack. Samples available. Bulk: Dried rhizome in food-grade bags or cartons, powder and extract in foil-lined bags, oil in sealed metal or glass containers, as agreed
Shipping	FOB or CIF, worldwide by air or sea. Terms and timing confirmed in the quotation

Overview

Jatamansi (*Nardostachys jatamansi*) is a Himalayan plant whose rhizome is used in Ayurveda and whose essential oil is known as spikenard. Faar Earth Collective Exports supplies dried rhizome, powder, extract powder and essential oil from qualified Indian manufacturers. The marker compound and percentage are agreed with the manufacturer to your specification. We offer cultivated and permitted material only, because the species is CITES-listed.

Available forms and grades

Dried rhizome	Cleaned, dried rhizome, whole or cut, for traditional blends, hair-oil infusions and further processing.

Powder	Rhizome ground to the mesh you need, for capsules, sachets, incense and herbal blends.
Extract powder	Extract made from selected rhizome, with the marker and percentage agreed with the manufacturer for your order.
Spikenard essential oil	Steam-distilled oil from the rhizome for perfumery, aromatherapy and cosmetic use. Quality is judged on aroma and agreed parameters rather than a single percentage.

Applications

Ayurvedic and herbal product makers, supplement brands, and fragrance and aromatherapy buyers (oil).

Ayurvedic formulations	Traditional preparations that include jatamansi rhizome.
Hair-care oils and tonics	Infusions and oils for scalp and hair products, where jatamansi has long been used.
Perfumery and fine fragrance	Spikenard oil as a deep, woody, sweet base note.
Incense and dhoop	Powder and oil in sticks, cones and ceremonial blends.
Aromatherapy and massage oils	Calming blends that use the heavy, earthy aroma of spikenard.
Relaxation and sleep-support blends	Combined with brahmi, ashwagandha and other botanicals, subject to local claim rules.
Herbal supplements	Capsules and tablets using powder or extract.
Private label and contract manufacturing	Bulk and custom-spec supply for brands, contract packers and formulators.

Buyer notes

Wild collection is restricted, so export needs the correct permits and papers. Ask for the permit status and source of every lot, plus the assay report, heavy metals and microbiology. Do not accept material that has no stated source.

Percentages shown are typical commercial grades. The exact grade and test method are confirmed on the COA / TDS for each order.

Packaging and shipping

Typical export packing. The final pack size, terms and documents are agreed with you in the quotation.

Packaging

- **Samples** 5 kg trial order, sealed in a food-grade, moisture-barrier pouch, as per buyer request.
- **Typical packing:** Dried rhizome in food-grade bags or cartons, powder and extract in foil-lined bags, oil in sealed metal or glass containers, as per buyer request.
- Private label and retail packs available on request.

Shipping

- **Terms:** FOB or CIF to your port. Tell us your destination and preferred terms when you enquire.
- **Mode:** samples by air courier. Bulk lots by sea, in full or part container, or by air for urgent orders. Shipped worldwide.
- **Timing:** dispatch time, freight and transit time are confirmed in your quotation.
- **Permits:** where a species is wild-collected or permit-bound, export permits are confirmed with the manufacturer before we quote.

Documents, labels and storage

- **COA** with every lot. TDS and further test reports on request.
- **Export papers:** commercial invoice, packing list and certificate of origin, plus phytosanitary or fumigation certificates and other documents where your destination requires them.
- **Labels:** product name, grade, batch number, net weight and dates as agreed.
- **Storage:** Store sealed in a cool, dry place away from light. The aroma is strong, so keep it away from other goods. Shelf life is confirmed on the TDS.

Frequently asked questions

Is jatamansi a protected species?

It is CITES-listed. We supply only cultivated, permitted material with the documents your import needs.

Is it standardised?

It is made to a specification you agree. Send us the marker compound and level you need.

What is the minimum order quantity?

A 5 kg trial order is available as per buyer request. Larger quantities as per buyer request, subject to the manufacturer's confirmation.

Which certificates do you provide?

We work with manufacturers who meet the certifications your country requires. Certificates (for example Organic, GMP, ISO, HACCP, Kosher, Halal) and test reports are supplied as per buyer request, with a COA for every lot.

How quickly will I get a quote?

Within 24 hours on working days once you send the product, grade and quantity.

How is Jatamansi packed and shipped?

Samples and 5 kg trial orders are sealed in food-grade pouches and sent by air courier. Bulk lots go in lined fibre or HDPE drums, paper bags, PP or jute bags or cartons, in the pack size you agree with us, and ship FOB or CIF by sea or air. The COA travels with every lot, together with the export documents your destination requires.

Why source from Faar Earth Collective Exports

- ✓ Quote within 24 hours on working days once you send the grade and quantity.
- ✓ We work only with validated, qualified manufacturers. Certificates (Organic, GMP, ISO, HACCP, Kosher, Halal and others) are supplied as per buyer request, for your country.
- ✓ COA with every lot. Test reports for assay (HPLC), heavy metals, pesticide residues and microbiology are available on request.
- ✓ 5 kg trial order available as per buyer request. Larger quantities in drums, bags or cartons, FOB or CIF, shipped worldwide by air or sea.
- ✓ Private label, custom standardisation and your own spec. Can't find your herb? We will source it from a qualified Indian manufacturer.

Packing and container loading

Typical export packing and container loading for Jatamansi, by supply form (S.No. 59 in the Faar Earth Collective packing guide). Choose the form you need. Loads are approximate, and the final pack size, terms and documents are agreed with you in the quotation.

Form B	Dried roots, rhizomes, barks, stems, wood chips, gum resin lumps
Typical packing and net weight	PP or jute bag, 25 kg or 50 kg net. Cinnamon quills: 25 kg cartons
Inner protection	HDPE liner on request
About 20 ft container (FCL)	About 8-12 t
About 40 ft container (FCL)	About 14-18 t (40 ft high cube)
Notes	Bulky and low density, so the container fills before it reaches its weight limit.

Form D	Powders: spice, herb, root, fruit, flour, husk
Typical packing and net weight	Multi-wall paper bag (3 ply) or PP bag, 20 kg or 25 kg net
Inner protection	PE liner; moisture-barrier bag for fine or hygroscopic powders
About 20 ft container (FCL)	About 8-12 t
About 40 ft container (FCL)	About 16-20 t
Notes	Light powders such as psyllium husk and leaf powders load lower. Palletise and stretch-wrap.

Form E	Standardised extract powders and high-purity actives
Typical packing and net weight	Fibre drum, 25 kg net (some grades 20 kg), or 5 kg and 10 kg aluminium foil bags in a carton
Inner protection	Double PE liner; foil bag for moisture-sensitive grades
About 20 ft container (FCL)	Large orders only (about 12-16 t of drums)
About 40 ft container (FCL)	Large orders only
Notes	Usually shipped as a few pallets by air or LCL. Protect from moisture and heat.

Form F	Essential oils
Typical packing and net weight	Lacquered steel or HDPE drum 180 kg to 200 kg; 5 kg to 25 kg lined aluminium or HDPE cans in a carton
Inner protection	Nitrogen flush and a full container to limit air space
About 20 ft container (FCL)	About 70-80 drums (about 12-16 t)
About 40 ft container (FCL)	Not usual
Notes	Many essential oils are classed as dangerous goods (flammable or environmental hazard). Tell the forwarder the UN number before booking.

Before you book

Weight per container depends on bulk density, pack size and whether the cargo is palletised. We quote a load only after the manufacturer confirms the pack size and the forwarder confirms the container. Wooden pallets must be ISPM-15 heat-treated and stamped, or use plastic pallets. Use a food-grade, clean, dry, odour-free container, with a liner and desiccant for sea freight of spices, seeds and powders.

To confirm pack size and freight, email connect@faarearth.com or WhatsApp +91 87008 79647, mentioning "Jatamansi Rhizome Powder, Extract and Spikenard Oil".

How to order

1. Enquire	Send the product, grade, quantity and destination market by email or WhatsApp.
2. Quote and sample	We reply within 24 hours. Trial orders from 5 kg. Samples available.
3. Confirm specification	Grade, marker compound and test method are agreed and stated on the COA / TDS.
4. Ship with documents	COA and TDS with each lot, plus export documents as required. Packing and terms (FOB or CIF) as agreed.

MOQ: A 5 kg trial order is available, and samples can be requested. Larger quantities as per buyer request, subject to the manufacturer's confirmation for each product.
Percentages and ranges shown are typical commercial grades. Confirm the exact grade, marker compound and test method on the manufacturer COA / TDS before ordering. This sheet is for information and is not a certificate of analysis.
