Limited in India

Specification

India / common name	Laung, Lavang, Clove
Scientific name	Syzygium aromaticum (L.) Merr. & L.M.Perry
Family	Myrtaceae
Part used	Dried flower bud
Form available	Whole buds, powder, bud oil, oleoresin
Standardisation	Spice grade: not standardised. Clove bud oil: eugenol about 80-90% (typical, GC)
MOQ	5 kg trial order available, as per buyer request
Origin	Limited in India; sourced to order
Packaging	5 kg trial pack. Samples available. Bulk in lined drums, bags or cartons, pack size as agreed
Shipping	FOB or CIF, worldwide by air or sea. Terms and timing confirmed in the quotation

Overview

Clove (*Syzygium aromaticum*) is the dried flower bud of a tropical tree grown mainly in Indonesia, Madagascar and Tanzania. Indian output is limited, so Faar Earth Collective Exports sources whole buds, powder, bud oil and oleoresin to order through qualified manufacturers. Spice grade is not standardised. Clove bud oil typically carries eugenol of about 80% to 90% by GC.

Available forms and grades

Whole buds	Cleaned whole clove buds for retail, spice blends, tea and food manufacturing.
Powder	Finely ground cloves for seasonings, bakery, masalas and herbal products.
Bud oil	Clove bud essential oil rich in eugenol, for flavour, fragrance, oral care and pharma use.
Oleoresin	Concentrated clove extract for food flavour and industrial use.

Applications

Spice and seasoning blenders, bakery and confectionery makers, oral-care and personal-care makers, flavour and fragrance houses.

Spice and seasoning	Whole buds and powder for masalas, spice blends and baking.
Oral and dental care	Clove oil and powder in toothpastes, mouthwashes and herbal dental products.
Food and flavour	Oleoresin and oil for sauces, meat products and confectionery.
Tea and beverages	Chai, mulled drinks and herbal blends.
Fragrance and incense	Oil and powder for perfumery, incense and candles.
Ayurvedic formulations	Traditional preparations using clove.
Personal care	Oil in balms, rubs and hygiene products.
Private label and contract manufacturing	Bulk and custom-spec supply for brands, contract packers and formulators.

Buyer notes

Clove bud oil, leaf oil and stem oil are different products at different prices, so state which one you need. Ask for pesticide residues, Salmonella and aflatoxin results, and the GC eugenol figure for oil. Agree moisture and the percentage of stems for whole buds.

Percentages shown are typical commercial grades. The exact grade and test method are confirmed on the COA / TDS for each order.

Packaging and shipping

Typical export packing. The final pack size, terms and documents are agreed with you in the quotation.

Packaging

- **Samples** 5 kg trial order, sealed in a food-grade, moisture-barrier pouch, as per buyer request.
- **Bulk powders and extracts:** lined fibre or HDPE drums, or multi-layer paper bags, with a food-grade polyethylene liner.
- **Whole and cut material:** new food-grade PP or jute bags, or cartons, with an inner liner where the product needs it.
- **Oils:** sealed drums or smaller food-grade or cosmetic-grade containers, filled to your pack size.
- **Oleoresins:** sealed food-grade drums or cans, pack size agreed with you.
- Private label and retail packs available on request.

Shipping

- **Terms:** FOB or CIF to your port. Tell us your destination and preferred terms when you enquire.
- **Mode:** samples by air courier. Bulk lots by sea, in full or part container, or by air for urgent orders. Shipped worldwide.
- **Timing:** dispatch time, freight and transit time are confirmed in your quotation.

Documents, labels and storage

- **COA** with every lot. TDS and further test reports on request.
- **Export papers:** commercial invoice, packing list and certificate of origin, plus phytosanitary or fumigation certificates and other documents where your destination requires them.
- **Labels:** product name, grade, batch number, net weight and dates as agreed.
- **Storage:** keep in a cool, dry place away from direct sunlight. Shelf life and storage conditions are stated on the COA / TDS.

Frequently asked questions

What is the difference between bud oil and leaf oil?
Bud oil is the premium grade with eugenol of about 80% to 90%. Leaf oil is a cheaper grade. Tell us which you need.

Where does your clove come from?
We source it to order from qualified manufacturers and confirm the origin on the quote.

What is the minimum order quantity?
A 5 kg trial order is available as per buyer request. Larger quantities as per buyer request, subject to the manufacturer's confirmation.

Which certificates do you provide?
We work with manufacturers who meet the certifications your country requires. Certificates (for example Organic, GMP, ISO, HACCP, Kosher, Halal) and test reports are supplied as per buyer request, with a COA for every lot.

How quickly will I get a quote?
Within 24 hours on working days once you send the product, grade and quantity.

How is Clove packed and shipped?
Samples and 5 kg trial orders are sealed in food-grade pouches and sent by air courier. Bulk lots go in lined fibre or HDPE drums, paper bags, PP or jute bags or cartons, in the pack size you agree with us, and ship FOB or CIF by sea or air. The COA travels with every lot, together with the export documents your destination requires.

Why source from Faar Earth Collective Exports

- ✓ Quote within 24 hours on working days once you send the grade and quantity.
- ✓ We work only with validated, qualified manufacturers. Certificates (Organic, GMP, ISO, HACCP, Kosher, Halal and others) are supplied as per buyer request, for your country.
- ✓ COA with every lot. Test reports for assay (HPLC), heavy metals, pesticide residues and microbiology are available on request.
- ✓ 5 kg trial order available as per buyer request. Larger quantities in drums, bags or cartons, FOB or CIF, shipped worldwide by air or sea.
- ✓ Private label, custom standardisation and your own spec. Can't find your herb? We will source it from a qualified Indian manufacturer.

How to order

1. Enquire	Send the product, grade, quantity and destination market by email or WhatsApp.
2. Quote and sample	We reply within 24 hours. Trial orders from 5 kg. Samples available.
3. Confirm specification	Grade, marker compound and test method are agreed and stated on the COA / TDS.
4. Ship with documents	COA and TDS with each lot, plus export documents as required. Packing and terms (FOB or CIF) as agreed.

Packing and container loading

Typical export packing and container loading for Clove, by supply form (S.No. 43 in the Faar Earth Collective packing guide). Choose the form you need. Loads are approximate, and the final pack size, terms and documents are agreed with you in the quotation.

Form A	Whole seeds, pods, buds and spices
Typical packing and net weight	PP or jute bag, 25 kg or 50 kg net (cardamom and clove: 25 kg or smaller)
Inner protection	Food-grade HDPE liner inside the bag
About 20 ft container (FCL)	About 10-14 t (cardamom pods about 6-9 t)
About 40 ft container (FCL)	About 20-24 t
Notes	Floor-loaded or palletised. Use a container liner or desiccant for sea freight.

Form D	Powders: spice, herb, root, fruit, flour, husk
Typical packing and net weight	Multi-wall paper bag (3 ply) or PP bag, 20 kg or 25 kg net
Inner protection	PE liner; moisture-barrier bag for fine or hygroscopic powders
About 20 ft container (FCL)	About 8-12 t
About 40 ft container (FCL)	About 16-20 t
Notes	Light powders such as psyllium husk and leaf powders load lower. Palletise and stretch-wrap.

Form F	Essential oils
Typical packing and net weight	Lacquered steel or HDPE drum 180 kg to 200 kg; 5 kg to 25 kg lined aluminium or HDPE cans in a carton
Inner protection	Nitrogen flush and a full container to limit air space
About 20 ft container (FCL)	About 70-80 drums (about 12-16 t)
About 40 ft container (FCL)	Not usual
Notes	Many essential oils are classed as dangerous goods (flammable or environmental hazard). Tell the forwarder the UN number before booking.

Form G	Oleoresins, pastes, viscous liquids
Typical packing and net weight	HDPE pail or lined drum 25 kg to 50 kg; 200 kg drum for larger orders
Inner protection	Food-grade liner; sealed lid
About 20 ft container (FCL)	About 70-80 drums
About 40 ft container (FCL)	Not usual
Notes	Solvent-based oleoresins may be flammable. Confirm the classification with the manufacturer.

Before you book

Weight per container depends on bulk density, pack size and whether the cargo is palletised. We quote a load only after the manufacturer confirms the pack size and the forwarder confirms the container. Wooden pallets must be ISPM-15 heat-treated and stamped, or use plastic pallets. Use a food-grade, clean, dry, odour-free container, with a liner and desiccant for sea freight of spices, seeds and powders.

To confirm pack size and freight, email connect@faarearth.com or WhatsApp +91 87008 79647, mentioning "Clove Buds, Powder, Bud Oil and Oleoresin".

MOQ: A 5 kg trial order is available, and samples can be requested. Larger quantities as per buyer request, subject to the manufacturer's confirmation for each product.
Percentages and ranges shown are typical commercial grades. Confirm the exact grade, marker compound and test method on the manufacturer COA / TDS before ordering. This sheet is for information and is not a certificate of analysis.
