Packaging	5 kg trial pack. Samples available. Bulk: Dried roots in food-grade bags or cartons, powder and extract in foil-lined bags or drums, as agreed
Shipping	FOB or CIF, worldwide by air or sea. Terms and timing confirmed in the quotation

Overview

Safed musli (*Chlorophytum borivilianum*) is a root crop grown in India and used in Ayurveda. Faar Earth Collective Exports supplies peeled dried roots, root powder and extract powder from qualified Indian manufacturers. Typical extract grades are saponins 20% or 40%, with polysaccharide content set per buyer specification. The plant part and species are stated on the COA.

Available forms and grades

Dried peeled roots	Hand-peeled, dried roots graded by length, thickness and colour, for traditional use, grinding or extraction.
Powder	Peeled root ground to the mesh you need, for capsules, sachets and herbal blends.

Extract, saponins 20%	A standardised extract at about 20% saponins, with the exact grade confirmed on the manufacturer's COA.
Extract, saponins 40%	A more concentrated extract at about 40% saponins, for higher-strength products. Polysaccharide-led grades can be discussed per buyer specification.

Applications

Ayurvedic and herbal product makers, supplement brands, capsule and tablet manufacturers.

Ayurvedic rasayana formulations	Traditional tonic preparations and classical formulas.
Sports and vitality supplements	Capsules and powders for stamina and strength products, subject to local claim rules.
Men's wellness products	Blended with ashwagandha, shilajit and mucuna in vitality formulations, subject to local rules.
Herbal tonics and sachets	Powder blends in traditional preparations and instant drink mixes.
Postnatal and lactation support	Traditional use in women's wellness preparations, subject to local rules.
Dietary supplements	Capsules and tablets made from powder or standardised extract.
Functional food and bars	Powder in energy mixes and nutrition products.
Private label and contract manufacturing	Bulk and custom-spec supply for brands, contract packers and formulators.

Buyer notes

Confirm the species on the COA. Mix-ups with look-alike *Chlorophytum* roots are known in the trade. Cultivated roots are preferred, so ask for the source. Request the assay method (UV or HPLC), heavy metals and microbiology.

Percentages shown are typical commercial grades. The exact grade and test method are confirmed on the COA / TDS for each order.

Packaging and shipping

Typical export packing. The final pack size, terms and documents are agreed with you in the quotation.

Packaging

- **Samples** 5 kg trial order, sealed in a food-grade, moisture-barrier pouch, as per buyer request.
- **Typical packing:** Dried roots in food-grade bags or cartons, powder and extract in foil-lined bags or drums, as per buyer request.
- Private label and retail packs available on request.

Shipping

- **Terms:** FOB or CIF to your port. Tell us your destination and preferred terms when you enquire.
- **Mode:** samples by air courier. Bulk lots by sea, in full or part container, or by air for urgent orders. Shipped worldwide.
- **Timing:** dispatch time, freight and transit time are confirmed in your quotation.

Documents, labels and storage

- **COA** with every lot. TDS and further test reports on request.
- **Export papers:** commercial invoice, packing list and certificate of origin, plus phytosanitary or fumigation certificates and other documents where your destination requires them.
- **Labels:** product name, grade, batch number, net weight and dates as agreed.
- **Storage:** Store sealed in a cool, dry place away from light and moisture. The dried root is hygroscopic and can soften or go mouldy in damp air. Shelf life is confirmed on the TDS.

Frequently asked questions

Which part of the plant is used?
The root, peeled and dried.

Which grade should I choose?
Saponins 20% or 40% are typical. We can match your own specification.

What is the minimum order quantity?
A 5 kg trial order is available as per buyer request. Larger quantities as per buyer request, subject to the manufacturer's confirmation.

Which certificates do you provide?
We work with manufacturers who meet the certifications your country requires. Certificates (for example Organic, GMP, ISO, HACCP, Kosher, Halal) and test reports are supplied as per buyer request, with a COA for every lot.

How quickly will I get a quote?
Within 24 hours on working days once you send the product, grade and quantity.

How is Safed Musli packed and shipped?
Samples and 5 kg trial orders are sealed in food-grade pouches and sent by air courier. Bulk lots go in lined fibre or HDPE drums, paper bags, PP or jute bags or cartons, in the pack size you agree with us, and ship FOB or CIF by sea or air. The COA travels with every lot, together with the export documents your destination requires.

Why source from Faar Earth Collective Exports

- ✓ Quote within 24 hours on working days once you send the grade and quantity.
- ✓ We work only with validated, qualified manufacturers. Certificates (Organic, GMP, ISO, HACCP, Kosher, Halal and others) are supplied as per buyer request, for your country.
- ✓ COA with every lot. Test reports for assay (HPLC), heavy metals, pesticide residues and microbiology are available on request.
- ✓ 5 kg trial order available as per buyer request. Larger quantities in drums, bags or cartons, FOB or CIF, shipped worldwide by air or sea.
- ✓ Private label, custom standardisation and your own spec. Can't find your herb? We will source it from a qualified Indian manufacturer.

Packing and container loading

Typical export packing and container loading for Safed Musli, by supply form (S.No. 60 in the Faar Earth Collective packing guide). Choose the form you need. Loads are approximate, and the final pack size, terms and documents are agreed with you in the quotation.

Form B	Dried roots, rhizomes, barks, stems, wood chips, gum resin lumps
Typical packing and net weight	PP or jute bag, 25 kg or 50 kg net. Cinnamon quills: 25 kg cartons
Inner protection	HDPE liner on request
About 20 ft container (FCL)	About 8-12 t
About 40 ft container (FCL)	About 14-18 t (40 ft high cube)
Notes	Bulky and low density, so the container fills before it reaches its weight limit.

Form D	Powders: spice, herb, root, fruit, flour, husk
Typical packing and net weight	Multi-wall paper bag (3 ply) or PP bag, 20 kg or 25 kg net
Inner protection	PE liner; moisture-barrier bag for fine or hygroscopic powders
About 20 ft container (FCL)	About 8-12 t
About 40 ft container (FCL)	About 16-20 t
Notes	Light powders such as psyllium husk and leaf powders load lower. Palletise and stretch-wrap.

Form E	Standardised extract powders and high-purity actives
Typical packing and net weight	Fibre drum, 25 kg net (some grades 20 kg), or 5 kg and 10 kg aluminium foil bags in a carton
Inner protection	Double PE liner; foil bag for moisture-sensitive grades
About 20 ft container (FCL)	Large orders only (about 12-16 t of drums)
About 40 ft container (FCL)	Large orders only
Notes	Usually shipped as a few pallets by air or LCL. Protect from moisture and heat.

Before you book

Weight per container depends on bulk density, pack size and whether the cargo is palletised. We quote a load only after the manufacturer confirms the pack size and the forwarder confirms the container. Wooden pallets must be ISPM-15 heat-treated and stamped, or use plastic pallets. Use a food-grade, clean, dry, odour-free container, with a liner and desiccant for sea freight of spices, seeds and powders.

To confirm pack size and freight, email connect@faarearth.com or WhatsApp +91 87008 79647, mentioning "Safed Musli Root Powder and Extract".

How to order

1. Enquire	Send the product, grade, quantity and destination market by email or WhatsApp.
2. Quote and sample	We reply within 24 hours. Trial orders from 5 kg. Samples available.
3. Confirm specification	Grade, marker compound and test method are agreed and stated on the COA / TDS.
4. Ship with documents	COA and TDS with each lot, plus export documents as required. Packing and terms (FOB or CIF) as agreed.

MOQ: A 5 kg trial order is available, and samples can be requested. Larger quantities as per buyer request, subject to the manufacturer's confirmation for each product.
Percentages and ranges shown are typical commercial grades. Confirm the exact grade, marker compound and test method on the manufacturer COA / TDS before ordering. This sheet is for information and is not a certificate of analysis.
